

That Whereas, the County of Douglas by and through its lawful officers are constructing a bridge across the Kansas River at Lawrence, Kansas, over which said bridge The Telephone Company desires the right and permission to construct, operate and maintain iron pipes or fibre conduits, manholes, wires, cables, fixtures and appliances for telephone and telegraph purposes only, and in order to arrange for the construction, operation and maintenance of said appliances over and upon said bridge, it is by the parties hereto mutually agreed as follows:

1. That in consideration of the annual payment by The Telephone Company to the County of Douglas of the sum of One Hundred Dollars (\$100.00) the right of way and the right and permission is hereby granted to The Telephone Company, to construct, operate and maintain iron pipes or fibre conduits, manholes, wires, cables, appliances and fixtures for telephone and telegraph purposes only over and upon west side of said bridge in the manner herein provided for.

2. It is understood and agreed that said conduits shall be placed under the concrete pavement on the west side of said bridge in the position designated on the blue print attached hereto and made a part hereof, and that the work of placing the same shall be under the supervision of the engineer in charge of the construction of said bridge, and shall be imbedded under the concrete so that no portion of the same shall come nearer the surface than three inches. All work of placing, operating and maintaining the same shall be done in a careful and workmanlike manner, and at the cost and expense of The Telephone Company.

3. It is further understood and agreed that in consideration of the rights and privileges hereby granted, The Telephone Company shall at all times during the occupancy of said bridge save and hold the County of Douglas free and harmless of and from all liabilities, costs, damages and expenses of every kind and character for the payment of which said County of Douglas may at any time become liable to any person, firm or corporation, by reason of the rights and privileges hereby granted, or by reason of the construction, operation and maintenance of any of the appliances herein referred to.

4. It is further understood and agreed that if in the construction, operation and maintenance of any appliance herein referred to, The Telephone Company shall at any time disturb or injure the pavement under which the same are laid,

Agreement
