

Monday, April 9-1917-

The board met in regular session, all members present, and Commissioner J. L. Hoover presiding.

Claims against the county were allowed, as per Allowance Record.

In the afternoon the board drove out to the Bos-
man bridge, east of Lawrence on the one-half mile, and con-
ferred with Mr. Wm. Schenke about raising and widening the same.
Action thereon was deferred.

The claim of H. B. Bullene to R. D. Weaver, executor estate of
L. Bullene, account taxes paid on personal property, was rejected.

Tuesday, April 10-1917-

The board met in regular session, all members present and Commissioner J. L. Hoover presiding.

Claims against the county were allowed, for which see Allowance Record.

Wednesday, April 11-1917-

The board met in regular session, all members present, and Commissioner J. L. Hoover presiding.

Claims against the County were allowed, as per Allowance Record.

Thursday, April 12-1917-

The board spent the day in Palmyra township in
conference with officials of the Kansas Natural Gas Co. about the
removal of a tap, now located in a roadway, in the main pipeline
of the company. An amiable agreement between the Commissioner
and the company's representatives was reached.
