

Wednesday - Aug - 15 - 1917.

The board met in regular adjourned session, with all members present, and Chas. J. Hoover presiding.

The following levies for the 1917 tax were agreed upon by the board - Basis, \$36,100,000 -

|         |                        |            |
|---------|------------------------|------------|
| 1917    | General fund           | 1.25       |
| Tax     | Interest               | .12        |
| Levies. | Sinking                | .67        |
|         | Road                   | .35        |
|         | Bridge                 | .75        |
|         | Sp. Interest & Sinking | .28        |
|         | Total                  | 3.42 Mills |

For High School tuition, as provided for in Section , Chap. Laws of 1917 - a special levy to cover all of Douglas County with the exception of School Districts # 17 (Baldwin-Palmyna); 28 (Endora City - Endora tp); 36 (Leocompton City - Leocompton tp); 60 (Leocompton City - Wakarusa - Grant tps) & Rural High School # 1 (Palmyna - Wakarusa tp) was levied.

The board also approved the recommendations of the following township boards for the 1917 levy, as indicated below:

|           |                                 |         |
|-----------|---------------------------------|---------|
| Township  | Leocompton township, total levy | 2 Mills |
| Tax       | Wakarusa "                      | 1 1/2 " |
| Levies    | Clinton "                       | 2 1/2 " |
| Approved. | Marion "                        | 2 "     |
|           | Willow Springs "                | 2 "     |
|           | Palmyna "                       | 2 "     |
|           | Endora "                        | 1 3/4 " |
|           | Wakarusa "                      | 2 "     |
|           | Grant "                         | 1 "     |

The board approved the report of County Engineer Duffer on the estimate of cost of bridge work in Douglas county, by Commission districts, for 1918, which report is as follows:

|             |                                              |         |
|-------------|----------------------------------------------|---------|
| Board       | First Commissioner District                  |         |
| Approved    | Beck Creek bridge                            | \$1,200 |
| County      | Barby corner, culvert, 2x18                  | 60      |
| Engineer's  | Culvert under midland, 2 ft square           | 60      |
| Estimate    | Barby corner, long culvert across road, 12x6 | 350     |
| 1 of Bridge | Culvert near Eli Miller's place, 2x2         | 50      |
