

Monday, Nov. 12, 1917.

The Board met in adjourned regular session, with all members present, and Commissioner as Chairman J. L. Horner officiating.

Claims against the county were allowed for which an Allowance Record.

Early in the session the board left on an official bridge and inspection trip through Mukersa, Pabungra, Midway Spring & Marine Township. County Engineer Daffer accompanied the Commissioner.

Tuesday, Nov. 13, 1917.

The board met in adjourned regular session, with many members present, & Commissioner as Chairman John L. Horner presiding.

Claims against the county were allowed for which an Allowance Record.

The Commissioner, with County Engineer Daffer, drove over the route of the proposed Fort to Fort Highway, District No. 2, on an official inspection trip.

The Commissioner ordered the release of Adolph Guttenberg, confined in the County on the charge of violation of the Prohibitory Law on a sentence of 30 days the payment of costs, he having secured Guttenberg double the sentence, the costs being remitted.
