

Saturday, April 13-1918.

The Board met in regular session, Commission
men + House being present.

After a short session, three two Commissioners went
to Leamington to look at some bridge + road work be-
ing done for the county, returning in the afternoon the
morning. The session.

Thursday, April 18-1918.

This being the day appointed by The Board of County
Commissioners to view the ~~proposed~~ road petitioned for by Henry Road and
36 others, they drove out to Mount Township, at the point
of beginning, but found that Road had failed to no-
tify land owners of the proposed road, in consequence
of which the viewing was abandoned, the Commissioners
continuing themselves with looking over in an unofficial
capacity, the ~~proposed~~ route proposed to be followed.
