Roads

Crossing

R.R. Tracks

The board granted the request of James Marion Lusk, of LeCompton township, made through the proper channels, for admission to the Home for Epileptics, at Parsons, Kans., for an indefinite period, the County assuming the expense of his stay.

In the afternoon a conference was held between the board, the city commissioners of the city of Lawrence, the township board of Wakarusa township, and several representatives of the Douglas County Fair Association, relative to draining the water from Woodland park. It finally was determined that the city of Lawrence contract for the surveying, the city paying for it, after which another conference would be held to determine what further steps need be taken.

Monday, July 28-1919-

The board this date, in company with a road official representing the A., T. & S. Ry. Co., made a trip of inspection over the line of the Santa Fe & Ottawa branch of the Southern Kansas, with a view of ascertaining whether public road crossing over these lines, without conform with R.R. Traffic laws governing road crossing enacted by the 1919 legislature.
