

Under the terms of this contract shall be under the supervision and inspection of the County Engineer of said County, and that said County Engineer shall act for said County, in all matters relating to the supervision of said survey and work.

Party of the second part agrees to proceed with said survey and work, and to complete the same as provided in this contract, with all reasonable speed and diligence, but to complete the same on or before the 1st day of March, 1920, unless prevented by weather conditions or circumstances or conditions over which party of the second part has no control.

In consideration of the covenants and agreements of the party of the second part herein contained, party of the first part hereby promises and agrees to pay party of the second part the sum of one hundred and eighty (\$180.00) dollars per mile for said survey, there being one-half ( $23\frac{1}{2}$ ) miles of proposed local or gravel road, to be paid as follows: At each regular meeting of the Board of County Commissioners of said County on the first Monday of each month, party of the second part shall present a verified claim or voucher showing the number of miles of such road upon which the field work has been completed, and the sum of eighty (\$80.00) dollars per mile shall be allowed and paid by the party of the first part at such meeting for the field work completed at the time and not previously paid for. The report and survey for each complete section of said road as above provided shall be submitted to the State Highway Commission and the State Highway Engineer, as provided by law, as soon as the survey and report for such section has been completed by party of the second part under the terms of this contract, and the payment of party of the first part to the party of the second part of the balance due for each section shall be made as soon as the survey and report for such section has been approved by the State Highway Commission and the State Highway Engineer.

In Witness Whereof, party of the first part has duly authorized and caused this Contract and Agreement to be signed and executed by the Chairman of the Board of County Commissioners of Douglas County, Kansas, and attested by the County Clerk of said County, and party of the second part has hereunto set his hand the day and year first above written.
