Agreement for Use of Highway

Copy of Agreement of the promises hereinafter made by The Princeton Oil Company, a partnership, and the performance of the same in good faith, the Board of County Commissioners of Douglas County, Kansas, in regular session convened on this 20th day of September, 1919, hereby covenants that the said Princeton Oil Company, a partnership, may place, construct, and maintain a pipe line for the purpose of conveying + transporting commercial oil over the following described route: The said line to be placed between the regular drainage ditch at the side of the highway described, and the fence line next to said ditch, the said route to be followed being described as follows: Beginning at a point on the west line of the south one-fourth of Section 4, Township 15, Range 20, Douglas County, Kansas, at about the center of said line of said quarter section; thence southward on the public highway as hereinafter indicated to the one-half section line of Section No. 9, Township No. 15, Range No. 20, said County + State; thence east on said one-half section line through sections 9, 10, + 11 on the said one-half section line of said sections, the said sections 10 and 11 being in the township, range, county, and state above mentioned - to the southeast one-fourth of Section 11 in said Township and Range.

In consideration of the above matters, the said Princeton Oil Company, a partnership, hereby agrees to place said pipe line as above indicated, the same to be above the surface of the earth except at public road crossings and in all openings into private property now necessarily in use for the purpose of giving access for property owners to the public highway, and at all such points, together with the public highway crossings, the said Princeton Oil Company, a partnership, hereby agrees to place the said pipe line under the surface of the earth in such a manner and to such an extent as to prevent any interference whatever with public or private traffic. The said Princeton Oil Company, a partnership, hereby further agrees to preserve the said Board of County Commissioners of Douglas County, Kansas, entirely free from any expense or damages whatsoever by reason of the placement, construction, and maintenance of said pipe line; and further, so to construct and maintain said pipeline as to prevent any danger whatever in the operation thereof to human life or to property.

It is mutually agreed by the before said parties that the term of this agreement shall be twenty years; provided, however, that in case the said Princeton Oil Company, a partnership, fails to use said pipeline for the purpose above indicated, the same shall be removed by said Princeton Oil Company, a partnership, at once, and
