The board met in adjourned regular session, all commissioners present, & Commissioner & Chairman A. Andrews presiding.

Claims against the County were presented, audited & allowed, for which see February Allowance Record.

Wednesday, February 11-1920.

The board met in adjourned regular session, all commissioners present, & Commissioner & Chairman A. Andrews presiding.

Upon motion of Commissioner A. Andrews seconded by Commissioner H. H. Hodge, & passed, the board instructed the County Engineer to proceed with the improvement of Section 2894, Article 25, relating to the cutting of hedge-rows, remove live brush, signs & board fence within 50 yards of railroad grade crossing or public road crossing.

Claims against the County were presented, audited & allowed, for which see February Allowance Record.
