

Friday, April 9, 1920

The board met in adjourned regular session, all commissioners present, Chairman A. Andrews presiding.

Claims against the county were presented, audited & allowed, for which see April Allowance Record.

Saturday, April 9, 1920.

The board met in adjourned regular session, all commissioners present, Chairman A. Andrews presiding.

The board audited the ^{quarterly} report of the County Treasurer for collected & thereupon approved the same.

The depository bonds of the Merchants National Bank & the Merchants Loan & Savings Bank were received & approved.

The board of viewers appointed to view the road which James F. Stuck & others desire vacated, reported, recommending that the prayer of the petitioners be granted.

The board of viewers appointed to view the road which W. E. Holderness & others wish be vacated & also the road which the same petitioners wish be established, all in Palmyra Township, reported, recommending that the prayer of the petitioners be granted, both in regard to the vacation & establishing.

Claims against the county were presented, audited & allowed, for which see April Allowance Record.

The board arranged with the bank to hold a meeting Tuesday afternoon, April 13, to discuss the contemplated bond issue of \$200,000, made necessary by the building of the Fort to Fort road.
