Wednesday, May 12, 1920.

The board met in adjourned regular session, all commissioners present, and commissioner and chairman A. Andrews presiding.

Board of H.
H. Keller
received
letter from
Lewenworth Co.
approved for
Lewenworth Co.

The contract and bond of H. A. Keplers, contractor for the building of the pile dykes and repair of the North approach to the Endora bridge across the Kaw river at Endora, was received, found legal in all requirements and signed by the board. The chairman was authorized to carry the bond and contract to Leavenworth and present it to the Leavenworth County board for their approval and signatures.

Claims
allowed

Claims against the county were presented, audited and allowed, for which see May Allowance Record.

Saturday, ^{May} 15, 1920.

The board met in regular session all members present, and commissioner and chairman A. Andrews presiding.

Report from
Lewenworth
Co.

Chairman Andrews made a report of his trip to Leavenworth in connection with the repair on the Endora bridge and the timber pile dykes and sheet piling, and offered the following agreement by the Leavenworth board of county commissioners, to-wit:

Leavenworth, Kansas, May 13, 1920.
Moved by Commissioner E. Kerth, seconded by Commissioner Roe,
