

Friday, August 20 - 1920.

The board met in adjourned regular session, all the commissioners present, all Commissioners & Chairman - Mr. A. Andrews officiating.

The following communication was received & read:
To the Honorable Board County Commissioners,

Douglas County, Kansas:

Gentlemen: Having been tendered a position which I feel will be a promotion for me, I herewith hand you my resignation, to be effective September 1st.

Very Respectfully,

A.C. Lagerwall.

Resident Engineer.

Upon motion of Commissioner Roy, seconded by Commissioner Horner, and passed, the board accepted the resignation of A.C. Lagerwall as Resident Engineer, the same to be effective September 1 - 1920.

Upon motion of Commissioner Coy, seconded by Commissioner Horner, and passed, the board elected Roy D. Klise as Resident Engineer, he to assume office September 1, 1920, & to continue in such until inclement winter weather makes a cessation of work necessary. The election of Mr. Klise to the post of Resident Engineer is conditional upon approval by the State Highway Commission.

In the afternoon the board drove out to Palmyra Township on the Frank Parden road location, returning late afternoon & resuming their session. The hearing on this road (Frank Parden) was set for Wednesday, September 8 - 1920.

The board adjourned to meet Saturday, Aug 21 - 1920.

Saturday, August 21 - 1920.
