Discuss Eudora

Bridge Re-

pair Work

In the afternoon the board of commissioners from Leavenworth County arrived and the two boards met in joint session, by the election of A. Short of Leavenworth County as chairman and Geo. B. Brune as clerk.

Commissioner Andrews of Douglas County moved that the engineer of Leavenworth County be requested to take up with Mr. H. A. Hepler, contractor on the repair of the Eudora Bridge the advisability of not completing the pier or shut piling work, if agreeable to the contractor.

Commissioner Clarth of Leavenworth County seconded the motion which upon a vote being taken, was carried.

Upon motion made, seconded and passed, the joint board adjourned.
