Upon the conclusion of the reading of the bids, the board adjourned until 2:30 O'clock P. M.

Upon reassembling the board announced the letting of the sub-structure work of the Belvoir bridge to N. E. Stueker of Ottawa, Kans., at the bid price of \$13,153.55; and the superstructure work of the Belvoir bridge to the Kansas City Structural Steel Co. at their bid price of \$13,988.32. This action of the board was taken upon motion made, seconded, and passed.

Upon motion made, seconded, and passed, all bids submitted for the construction of Bridge No. 53, project no. 53, were rejected.

With reference to the probable erection of what is known as the Patton bridge, across the Wakarusa in Clinton Twp., the board authorized the clerk to certify that by unanimous action of the board funds not to exceed \$25,000.00 would be issued, if such action be authorized by the Legislature.
