Official

Notice to

Remove

Fences &

Other Obstructions

From

Public

Highway

Upon motion made, seconded, and passed, the board authorized the County Engineer to notify officially all persons alongside of whose premises fences have been constructed or other obstructions placed in the public highways, to at once remove the same, the fences back to the line of property owned by them and the obstructions entirely removed. This action was taken in the interest of public safety and as an aid toward better highways.

In carrying out the report of the Viewers on the M. C. Butler Grant Vacated petition, recommending the vacation of a certain road (see page caption in 2/2, this record) the board approved the Viewers' report and ordered that the Board of Wabasha Township be directed to cause the road to be vacated as proposed for.

Claims

Allowed

Claims against the County were presented, audited as allowed, for which see February Allowance Record.
