North Seventh Street in said City of Lawrence, formerly known as Main Street in that part of said city known as North Lawrence, from Locust Street north to the north city limits, in order to connect said Locust Street, which is a paved street, with the hard surfaced road running north from the north city limits between Sections 19 and 20, in Township 12, Range 20, in Douglas County, Kansas in accordance with the statute in such case made and provided:

Therefore, be it resolved by the Board of Commissioners of the City of Lawrence, Kansas:

That said North Seventh Street in the City of Lawrence, Kansas, be graded, curbed, guttered, paved or otherwise improved from the intersection of Locust Street and North Seventh Street in that part of the City of Lawrence, formerly known as North Lawrence; thence north along the general line of said North Seventh Street to the north city limits of said city;

That said street be paved or otherwise improved at a width of eighteen feet with such width at curves as good engineering practice may require, and that said paving be constructed of concrete, according to plans and specifications to be prepared by the City Engineer;

That in order to provide for the payment of that part of the cost of said improvement chargeable against the benefit district to be created within said City of Lawrence, Kansas, in accordance with the statute in such case made and provided, the number of assessments to be levied upon the lots, tracts and parcels of ground situated therein shall be ten, and the said benefit district shall be all that part of said City of Lawrence, Kansas embraced within the following boundaries, to wit:

Beginning at the intersection of the center line of North Street with the center line of North Seventh Street, in that part of the City of Lawrence known as North Lawrence; thence East five hundred twenty-eight (528) feet; thence South two thousand and ten (2010) feet; thence West sixty-four and one half (64½) feet; to the west side of Lot ten (10) in Simpkins Central Subdivision in North Lawrence; thence South six hundred sixty (660) feet; thence West sixty-five and one half (65½) feet; thence South three hundred thirty-five and one half (335½) feet; thence West one thousand fifty-six (1056) feet; thence North three hundred ninety-five (395) feet;

thence East one hundred thirty (130) feet; thence North six hundred sixty (660) feet; thence West three (3) feet;
