

for the rebuilding of the White May on the Douglas County bridge over
the Kansas river at Lawrence, Kansas.

Materials.

The said A. D. Dahlene to have use of all wires, conductors and
fixtures on said bridge for rebuilding the White May on the same;
to take off and for bronze light brackets off said poles, current up
holes where the brackets are removed, and cut out wiring from brackets.

Lights and Globes.

To install light and globes on top of poles, with ventilation on globes
and insulation on bottom of cones, like that of the White May on Mass-
achusetts street in the city of Lawrence, Kansas.

I hereby agree to furnish all other materials and labor necessary to
complete said job in a first class workmanlike manner for
the sum of \$500.00 to maintain all in good working order until
January 1-1923-

A. D. Dahlene, Contractor

By motion duly made, and second being passed, the above agreement
was accepted.

Claims against the County were received, audited and
allowed, for which Res. May Allowance Received.

The Board of Commissioners of Douglas County, Kansas, do hereby
authorize and direct the County Engineer to execute the above
contract, and to pay the same out of the County funds.

Whereas, the Board of Commissioners of Douglas County, Kansas, do hereby
authorize and direct the County Engineer to execute the above
contract, and to pay the same out of the County funds;
And whereas, upon motion duly made, second being passed, the Board
of Commissioners of Douglas County, Kansas, do hereby authorize and
direct the County Engineer to execute the above contract, and to pay the
same out of the County funds; provided, that the terms of payment
therefor be as follows: The order of the Board followeth:-
