

Saturday, July 22 - 1922 -

The board met in regular session, Commissioners Stule, Kutsinger & Hooper & the County Clerk being present. Commissioner & Chairman Stule presided.

Various matters were discussed, but not anything of an official nature was done.

Saturday, July 29 - 1922 -

The board met in regular session, Commissioners Stule, Kutsinger & Hooper & the County Clerk being present. Commissioner & Chairman Stule presided.

Meeting began at 1:30 o'clock the board met with the various township officers & citizens of Douglas County to talk over the bridge and street improvement program for the year 1922-23, & to hear objections, if there were any, to the estimate as furnished by the County engineer, which estimate was duly published in the official county paper, & which notice designated this date & hour upon which the County board would hear complaints. No complaints were made, although one additional bridge was asked for by interested citizens.
