May 13th. the county clerk was called to Dr. Rudolph's office where Frank Campbell of Yellow Springs Township was suffering with Glycoma. After talking to E. B. Horsford chairman of the Board and getting an order from Dr. E. P. Keith, Health Officer, the man was sent to Bell Memorial Hospital, for treatment and possibly to have the eye removed. The father E. T. Campbell said the family would try to reimburse the county all or in part for the expense at the hospital. May 14th this case was brought before the ^{four} members of the board in regular session. The ^{word} proceedings of Chairman Horsford & Clerk Bussing was approved.

Wednesday May 14th-1924

The Board met in the final meeting of the May session. Present Horsford, Stehle and Kutzinger. After a brief business session the Board together with the engineer E. E. Trueblood drove to Leocompton township to inspect the French Bridge.
