The Board met in adjourned regular session. Present V. J. Kennedy, S. E. Kretzinger & County Clerk. Claims against the County were presented and allowed as per the allowance record.

Resolution of the Board of County Commissioners of the County of Douglas, Kansas, approving the contract as therein set forth and authorizing the execution thereof.

Whereas, the highway between the City of Lawrence and the City of Eudora, each in the County of Douglas, State of Kansas, crosses the railroad of The Atchison, Topeka and Santa Fe Railway Company in said cities at grade, and it is for the best interests of the public that the grade of said highway and railroad be changed and the greater amount of traffic now passing over said above designated route be diverted from aforesaid route and routed via a new road to be constructed by said Board of County Commissioners between Lawrence and Eudora, and entirely south of the said railroad; and

Whereas, the County of Douglas is constructing a new improved highway, known as Project No. 315, between said cities of Lawrence and Eudora, entirely on the south side of the Railway Company's right of way, as the improvement of the present highway would involve the construction of a viaduct over the tracks of the Railway Company at each Lawrence and Eudora, or other safe guards installed, in order to warn travelers on the public highway approaching said crossings of approaching trains; and

Whereas, said Railway Company is willing to join with this County in doing said work under and in accordance with the terms and conditions of a draft of contract which at this meeting has been laid before this Board, and which in substance provides that in consideration of the covenants of the Railway
