

State of Kansas.

County of Douglas ss.

I, E. C. Bessing, County Clerk of the County of Douglas, in the State of Kansas, do hereby certify that the foregoing is a full, true and correct copy of a resolution approved, passed and adopted by the Board of County Commissioners of the County of Douglas, State of Kansas, at a regular meeting of said Board of County Commissioners held at the City of Lawrence, Douglas County, Kansas, on the 8th day of December, 1926.

Dated this 8th day of December, 1926.

E. C. Bessing.

County Clerk of the County of Douglas.

Agreement between A. T. & S. F. R. R. Co and Board of Douglas County Commissioners, covering change in roadway between Lawrence and Eudora, Kansas.

Agreement, made this 2nd day of Sept. 1926 between The Atchison, Topeka and Santa Fe Railway Company, a Kansas Corporation, (hereinafter called the "Railway Company"), first party; and the Board of County Commissioners of Douglas County, Kansas, (hereinafter called the "County") second party.

Recitals:—

The Railway Company is the owner of and is operating a line of railroad into and through the County of Douglas, State of Kansas.

The County is constructing a new improved highway known as Project No. 315 (hereinafter called the "new highway") between the cities of Lawrence and Eudora. The route of the present main traveled highway between Lawrence and Eudora is shown by yellow coloring upon the print hereto attached marked Exhibit "A" and made a part hereof.

As the improvement of the present highway would involve construction of a viaduct over the tracks of the Railway Company at each Lawrence and Eudora, the County has decided to construct the new highway on the south side of the Railway Company's tracks, as shown by the red coloring upon said Exhibit "A", and thereby avoid construction of viaducts as aforesaid.
