County Clerk Plank presented the Board with more bills for their consideration. The bills were examined and ordered paid. Relative to the bill of Miss Hiatt, who is assisting the committee on Seed and Feed Loans, there seems to have been a little misunderstanding as to the wages she was to receive for her services. She presented her bill for the month of March at \$2.25 per day or \$13.50 per week which bill was honored and ordered paid with the understanding that henceforth, her wages will be \$13.50 per week but not to exceed \$50.00 per month.

Undersheriff George Price and Deputy Sheriff Jude Anderson in their own behalf appeared before the Board for an answer relative to their request for an increase of wages beginning April 1, 1935. The Board voted to allow them a monthly wage of \$115.00 each.

The Board adjourned to meet at 9:30 o'clock April 10, 1935.
