

of \$50,000.00 was read by the County Clerk. Discussion followed concerning the probable expenditures for the balance of the year, the possible revenues and the consequent deficit which necessitated the issuance of poor relief bonds. It was decided that the full \$50,000.00 as authorized by the State Tax Commission would be necessary to complete the year's work and that the transcript should be drawn up on that basis.

It was moved by Earl T. Black, seconded by Chris Schacke that the County Clerk be instructed to embody the substance of the discussion of the special session in a Resolution which he should prepare and present for approval by the Commissioners at a continued session to be held on April 29, 1935. All Commissioners voted aye and the motion carried.
