The Board met in regular session with James F. Brass, Chairman, Earl T. Black and Chris Schaake, Commissioners, and U. S. G. Plank, County Clerk, present. Bills for materials and labor and for the assistance of the destitute, were presented, reviewed, and ordered paid. This being the day of the approaching peak of the flood, not much office work was attempted, owing to the fact that the Commissioners spent considerable time rendering such assistance as they were able in protecting Grant Township citizens against the encroaching waters. Their efforts were directed principally toward the maintenance of the dike in the vicinity of the Lewis farm.

The Board adjourned to meet at 9:30 a. m. June 6.
