This was the day set by the State Tax Commission to hear the citizens of Douglas County in their appeals from the decisions of the County Board of Equalization of Douglas County. County Chairman James F. Brass, County Clerk, U. S. G. Plank, and County Attorney, R. B. Stevens went to Topeka to defend the actions of the Equalization Board. A number of claims for reductions in values were pressed more or less vigorously. The decisions of the State Tax Commission, sitting as a Board of Equalization will render its decisions later. The Douglas County delegation was graciously informed that at least half the complaints on unequal valuations in the State of Kansas come from Douglas County. Why so?
