

## COMMISSIONER'S RECORD M

September 7, 1935  
(Date of letter)

Dear Sir:

Beginning September 9, 1935, Douglas County Direct Relief Orders for groceries can only be filled by those items listed on the enclosed restricted grocery list. For the balance of this month prices will be those that you have in your store on these items. Please continue to make itemized statements of your accounts. A bill will not be allowed for groceries other than those named.

Beginning October 1, 1935, standard county prices are to be used. Those prices will be set by a representative groceries committee, appointed through the facilities of the Merchants Bureau of Lawrence Chamber of Commerce; said prices to be approved by the County Commissioners. We will appreciate your cooperation in the restricting of the expenditure of public funds to only plain necessities as listed on this restricted grocery list.

Any store not complying with the restricted grocery list in filling county orders will be removed from the list of approved stores who may receive county orders.

Enclosed are two copies of the restricted grocery list. One is to be restrained by you for your reference. Please fill in prices, to be used this month, on items listed on the second copy and return same to this office at once.

Yours very truly,

(Signed)  
H. T. Baker,  
Poor Commissioner,  
Douglas County.

No further business appearing, the Board adjourned.
