

COMMISSIONER'S RECORD M

Mrs. W. O. Hamilton and Mrs. C. M. Clark appeared before the Board asking that arrangements be made whereby a man will be regularly employed to look after the sewing room and its attendant duties. This was referred to the Poor Commissioner. They also suggested that since the building in which the sewing project is located has a vacant room that possibly a man who is on relief together with his wife might be placed in the room, and the man employed as janitor paying for room by his services.

Correction:--"Which resignation was not accepted".

Harold T. Baker, Poor Commissioner, placed his formal resignation as Douglas County Poor Commissioner before the Board, which resignation was accepted. The usual form, KERC form No. 69A was also filed and favorably acted upon. The Board also had a similar form before them removing Miss Abbie B. Langmaid from the office of Assistant to the County Poor Commissioner with the title "County Case Supervisor" for the reason "her term of service agreed upon, having ended and shortage of funds does not allow for further continuation". The usual form of KERC form No. 69 in completed form was presented to the Board appointing Miss Cecilia Robinson as acting County Poor Commissioner and Case Supervisor for a temporary period. All these forms were properly passed upon by the Board and the forms ordered filed.

Meeting adjourned.

ATTEST:

James F. Brass, Chairman of the Board
of County Commissioners.

No objectors presented themselves and the Board authorized proceedings for the completion of the organization of the said Bull Creek Drainage Board and instructed the County Clerk to published notice of an election to be held for the purpose of naming three directors to act as a Board of Control.
