

## COMMISSIONER'S RECORD M

Mr. French of the J. E. Caton Auditing Company, appeared before the Board with the information that the State Board of Accountants in promulgating the new set-up for the auditing of County affairs requires that the audit of the Treasurer be made according to the budget set-up which means that the books must be audited from October 8, 1935 to December 31, 1935. Mr. French proposed to make this audit of the Treasurer's accounts for the above named period for a sum of \$65.00. It was moved, seconded and voted that Mr. French be authorized to make such audit on the terms mentioned.

No further business appearing, the Board adjourned to meet January 11, at 9:30 A. M.

ATTEST:

James F. Brass, Chairman

U. S. G. Plank, County Clerk

January 11, 1936

The Board met in regular adjourned session at 9:30 O'Clock with Chairman James F. Brass and Commissioners Chris Schaae and Earl T. Black and the County Clerk U. S. G. Plank present.

More bills for materials and wages for the County and bills for the support of the Poor and Destitute were received, inspected, and allowed as per Allowance Record.

At 2 P. M. of this day the Board reviewed the Road as petitioned by Lillie Ridley and as per published notice in the official paper.

In relation to some materials on hand for fencing purposes in connection with the Non-relief ponds the following resolution was adopted:

Resolution

We, the County Commissioners of Douglas County, Kansas, in regular session this 11th day of January 1936 do authorize the following:

That the 1000lbs of KERC Barb Wire now stored in the County warehouse at Lawrence, Kansas, was purchased for fencing the non-relief ponds in the County and due to the close of work relief September 5, 1935, this wire was not used.

Further; that if this wire is released to Douglas County we will agree to use the abovementioned barb wire in fencing the non-relief ponds located on the following farms:

Albert Miller  
Druery Thorn  
William Ice  
William Swadley

M. Priest  
W. Simons  
Charles Wells  
Fred McKinney

Bids for a carload of Douglass Fir bridge plank as per the following specifications "All material to comply with Paragraph 195, Page 33, and density requirements of Para. 301, Page 62, of the West Coast Lumbermen's Association specifications effective July 1, 1934." were presented and opened by E. E. Trueblood, County Engineer. The bids follow:

Paul H. Friend	Lawrence, Kansas	\$33.50 per M
A. W. Shaw Lumber Co.	Lawrence Kansas	35.80 per M
Logan-Moore Lumber Co	Lawrence Kansas	36.00 per M
Burgner-Bowman-Matthews		
Lumber Company	Lawrence Kansas	36.35 per M
L. R. Eaton Lumber Co.	Marysville, Kansas	34.00 per M

From the above bidders, it is apparent that the L. R. Eaton Lumber Company of Marysville, Kansas is the low bidder.

Moved by Chris Schaae and seconded by Earl T. Black that the L. R. Eaton Lumber Company of Marysville, Kansas be awarded the contract; the motion being properly placed by the Chairman James F. Brass, and voted, all the Commissioners voting "aye", it was so awarded.
