RESOLUTION No. 1

A resolution authorizing the County Engineers to file an application to the United States of America through the Federal Emergency Administration of Public Works for a grant to aid in financing the construction of the Kure, Kansas River Bridge Repair and Bank Protection and designating the Douglas County Engineer to furnish such information as the Government may request.

Be it resolved by the Joint Board of Douglas and Leavenworth County Commissioners:

That the Douglas County Engineer, he and he is authorized to execute and file an application on behalf of the Counties of Douglas and Leavenworth to the United States of America for a grant to aid in financing the construction of the Kure, Kansas River Bridge repair and bank protection.

That E. E. Trumbull be hereby authorized and directed to furnish such information as the United States of America through the Federal Emergency Administration of Public Works may reasonably request in connection with the application which is herein authorized to be filed.
