

COMMISSIONER'S RECORD M

Clerk, was reviewed in detail. Several items of the budget provoked considerable comment, and received official explanation. No changes were made in the proposed budget and the matter was disposed of in the following motion: Moved by Earl T. Black that the budgetas prepared and presented be adopted. The motion had a second in Chris Schaake. The motion was put by the Chairman, James F. Brass, and voted, all the Commissioners voting "aye", and it was so ordered.

Whereupon, without further ado, the meeting was adjourned.

August 15, 1936.

Coal bids were received and opened. The County had asked for bids on Cherokee lump, deep shaft, soft coal up to 300 tons to be delivered as needed during the season 1936-1937. The firms bidding and the amounts of their bids follow:

Name of Firm	Bids Aug. Delivery	Bal. of Season
Logan-Moore Lumber & Coal Company	\$4.14	\$4.54
Johns Coal Company	4.15	4.55
Burgner-Bowman-Matthews Lumber Company	4.24	----
Orley M. Smith Coal Company	4.14	4.54
Kaw Valley Fuel Company	4.30	4.70
Harry Turner Coal Company	4.40	4.80
University Coal Company	4.40	4.80
The Derby Grain Company	4.17	4.52
South Lawrence Lumber Company	2.64	3.04

(This company specified prices f.o.b. place of origin and was, therefore, not considered.)

Delph Heckart submitted a bid on coal from strip mine at Williamsburg, Kansas. Consideration of the county's specifications were not considered in this bid and the bid had no consideration.

From the bids, it is apparent that the Logan-Moore Lumber & Coal Company and the Orley M. Smith Coal Company were the low bidders, and they were awarded the contract to furnish the county coal for the season 1936-1937 as per their bids above.

No further business appearing, the Board adjourned.
