At an adjourned regular meeting of the Board of County Commissioners of Douglas County, Kansas, which was held on the 16th day of November, 1936, in the meeting room of the Board of County Commissioners, in the County Court House of Lawrence, Kansas, all members of the Board were present and participated therein, to-wit: James F. Brass, Chairman; and Chris Schaaque and Earl T. Black, Commissioners; also U. S. G. Plank, County Clerk, and R. B. Stevens, County Attorney.

Minutes of the last meeting of the Board were read and, on motion duly made, seconded and carried, were approved.

It appeared that the funds of the Board of County Commissioners of Douglas County are insufficient to bear the cost of supervision, engineering, inspection, materials, supplies and other expense of public work relief, public employment, and public works projects, in Douglas County, Kansas, not paid for by the State or Federal Government on public work relief, public employment, and public works projects, approved as work relief, public employment, or public works projects by the State or Federal Government authorized under the acts of Congress of the United States or of the State of Kansas, and that it is necessary and will hereafter be necessary for Douglas County, Kansas, to proceed to issue bonds for the purpose of providing funds for the purposes aforesaid, pursuant to the provision of Chapter 190, Session Laws of Kansas, 1935, approved by the Governor of said State on March 2, 1935, and published in the official state paper on March 4, 1935.

Thereupon, Commissioner Schaaque presented and moved the adoption of the following resolution authorizing the issuance by Douglas County, Kansas, of its Public Work Relief Bonds in the sum of \$14,000.00 pursuant to the provisions of said Chapter 190.

Said motion was seconded by Commissioner Black.

Said resolution was thereupon read and considered, section by section and as a whole, and was adopted by the unanimous vote of the three Commissioners, the vote being as follows:

Aye: James F. Brass, Chris Schaaque and
Earl Black.

May: None.

The resolution in connection with the above and other detailed information in connection with the preparation of the transcript for the issuing of aforesaid bonds is fully set up in the transcript in its completed form, and is on file in the County Clerk's office.

The Board of County Commissioners at 11 A. M. went into executive session for the purpose of tabulating the out-of-state ballots. The ballots were presented by the County Clerk, carefully inspected and identified by the Board of County Commissioners and a complete tally made as per poll book on file in the office of the County Clerk.

No further business appearing, the Board adjourned, subject to call of the County Clerk or Chairman of the Board.
