

COMMISSIONER'S RECORD M

Moved by James F. Brass that the Chairman be authorized to sign the resolution to secure materials and supplies from the KERC in Topeka. Earl T. Black seconded the motion. Chairman Chris Schaaque put the motion and on vote, all Commissioners voted "Aye".

A meeting was set for Wednesday July 14 for Mr. Deal Six, Farm Agent, and all governing bodies of Douglas County, on the discussion of the Bindweed law.

The Board of Social Welfare adjourned in order to convene as the Board of County Commissioners to allow claims against the County for materials and wages, and claims for the relief of the poor and destitute. All bills were allowed as per Allowance Record.

No further business appearing, the Board adjourned to meet in regular adjourned session Saturday July 10, 1937.

ATTEST:

T. R. Gerhart
T. R. Gerhart,
County Clerk.

Chris Schaaque
Chris Schaaque, Chairman of the Board
of County Commissioners.

July 10, 1937.

In regular adjourned session, there assembled at 9:30 A. M., in the chambers of the Board of County Commissioners of Douglas County, Kansas, a majority of the members of the Board and the County Clerk.

Mr. George Hedrick and Mr. Art Weaver, members of the Lone Star Lake Association met with the Board to discuss the disposition of the Lone Star Lake. A general discussion was gone into but nothing definite was decided at this meeting.

Mr. Morris, Bond Salesman, was in, in regard to the County issuing bonds for the Lone Star Lake. The Board informed Mr. Morris that as yet, the County was not in line for a Bond issue.

A Mr. Maichel came before the Board to determine what equipment the County would furnish for the Strahan Well for the pumping of water. A petition signed by property owners in that community was submitted to the Board. Relative to Mr. Maichel's request for a new belt for the engine of said well, the Board authorized the purchase of same.

County Engineer E. E. Trueblood reported that the repairing of the Courthouse roof as contracted for by Olmsted Brothers is nearing completion. He also stressed the need of additional repairs for other parts of the roof, and stated that the repairs needed on the flat roof would cost approximately \$45.00; for the painting of the flashes approximately \$30.30.

The Board considered the above mentioned repairs a necessity and approved the same, to be carried out under the direction of the County Engineer.

Mr. Rappard appeared before the Board in regard to the fixing of the pump on the County Well about 1 1/2 miles East of Globe, so that the farmers in that community may be able to secure water from the well for their stock.

At this hour of 11 A. M., bids for a carload of bridge lumber for the County of Douglas were received and opened by the Board.
