

Baldwin Lumber Company: Baldwin City, Kansas.

250	3x12	14'	10500	
200	3x12	16'	9600	
50	3x12	18'	2700	\$39.75 Unit Price

Wheeler Lumber, Building and Supply Company: Topeka, Kansas.

250	3x12	14'	10500	\$38.00 per M.
200	3x12	16'	9600	38.00 per M.
50	3x12	18'	2700	38.00 per M.

It being apparent that the Wheeler Lumber Company of Topeka, Kansas, was the lowest bidder, James F. Brass moved that the bid be let to the Wheeler Lumber Company as per his bid above so stated. Chris Schaalke seconded the motion. Carried unanimously.

Further bills against the County for the month of June, for wages, materials, etc for the County, and bills from the Social Welfare Department were presented to the Board, minutely scrutinized and ordered paid as per Allowance Record.
