Moved by James F. Brass that the foregoing resolutions be passed by the Board of County Commissioners and that the Vice-Chairman of the Board, Earl T. Black, be authorized to sign said resolutions. Earl T. Black seconded the motion. On vote, all Commissioners voted "Aye".

The Board of County Commissioners adjourned as a Board of County Commissioners to reconvene as the Board of Social Welfare in order to carry on matters of business coming to the attention of that Board.

A Mrs. Swope, who had previously come before the Board for aid for herself and her family, again reappeared before the Board and the County Director in an effort to secure assistance. The Board and the County Director explained thoroughly and carefully to the said Mrs. Swope of their inability to extend aid to her because of her not being a legal resident of Douglas County. Their offer was to give temporary help until she and her husband could obtain work, and then to send the family back to their legal residence if they then did not secure further work. This offer was emphatically refused by Mrs. Swope.

2 P. M.

A meeting was held at this time with Harold Kennedy, his sister Fern Kennedy, the County Director and the County Attorney to discuss the matter of allowing the said Harold Kennedy an additional compensation under the Social Security Act, owing to the fact that he is blind, supplementing the pension he already receives from the county, or allowing an increase in the latter.

A thorough discussion was gone into by all persons present, and it was decided to leave the matter in the hands of the County Director to reopen the case for investigation to see if \$20.00, the amount of the pension, is adequate for the needs of the said Harold Kennedy. If not so, he will be rebudgeted for a larger amount.

No further business appearing, the Board adjourned to reconvene as a Board of County Commissioners Wednesday August 11, at 9:30 A. M., in the chambers of the said Commissioners.
