A road viewing date was set for October 13, 1937.

Bids for work on the heating boiler at the County Farm were considered at this time. The bids follow:

Carl Sneegas:

Installation of two new sections, including all material and labor	\$510.00	
Deduction of \$90.00, if only one section required.	90.00	\$220.00
If no sections are needed, repair boiler and furnish new slip nipples, if needed, and replace the covering.	140.00	

Olson Bros:

Installation of one new section in boiler	187.53
Two sections if needed, the additional section will be installed for	121.00
If a new boiler is wanted, same size and kind as the present boiler, price installed	869.00

Earl T. Black moved that Olson Bros. be authorized to repair the heating boiler plant at the County Home as per his bid accepted. James F. Brass seconded the motion. On vote, put by the Chairman Chris Schaeke, all Commissioners voted "Aye".

The Board further instructed Olson Bros. to replace the present defective hot water heater with another similar heater, which has been on hand in the basement
