October 4, 1937.

In the first regular meeting of the month, the Commissioners of Douglas County, Kansas, met with all the Commissioners and the County Clerk present.

They immediately adjourned to assemble in the Social Welfare Department to meet with the County Director and Home Visitors to confer on social welfare cases. After conclusion of such business they reconvened again as a Board of County Commissioners in the chambers of said Commissioners.

Liabilities against the County for salaries, wages and materials and claims from the Social Welfare Department were presented to the Board and after minute inspection of each, the Commissioners allowed said claims as per Allowance Record.

Clifford Harding of the Resettlement Office asked the Board to allow him to maintain the girl, formerly approved by the County to do work in his office for a period of six weeks, said term expiring Saturday October 2, for additional time until arrangements now pending for her employment by Franklin County are approved. The Board gave its approval on the matter.

The County Auditor presented to the Board a statement of cash and budget balances, and a thorough discussion was gone into concerning same. (Statement on file in the County Clerk's office.)

Ed Harvey interviewed the Board in regard to damage that may occur to his home because of an overflow from the fill in a channel change the County is making on his property. The Board informed Mr. Harvey that they and the County Engineer would investigate the situation this day.

Final actions as follows, was taken on Stratford Road, West Hills Parkway and High Drive, roads in Wakarusa Township.

Final Action of the Board of County Commissioners on the Road Petitioned for by Henry L. Butler and Others:

The petition of Henry L. Butler and others for the establishment of a road being under consideration of the Board for final action, it is determined and ordered by the Board that the public good and convenience does require that said roads as viewed, located and surveyed be established as Township Roads.

We determine and order the width of said road shall be width of streets feet.

And it is hereby so ordered by the Board and that these proceedings and the report of survey be recorded. It is also ordered that the Trustee of Wakarusa Township be directed to cause the roads opened for public use.

Done this 4th day of October, 1937.
