

Dec. 6, 1937, conal.

Bids for  
Carload Re-  
enforcing  
Steel.

A motion was made by Commissioner Brass and seconded by Commissioner Black to authorize the County Engineer to ask for bids for a carload of reenforcing steel; bids to be opened Wednesday, December 15, 1937.

Firewood  
Permit.  
(Lone Star  
Lake)

In view of a previous agreement with Mr. N. T. Veatch, Jr., it was ordered by the Board that his tenant, Mr. George Crumbaker, be permitted to enter upon the Lone Star Lake property for the purpose of removing firewood for his own domestic requirements during the present winter of 1937-38. Copy of letter embodying such authority follows:-

December 6, 1937.

Mr. Alex. A. Laird,  
Associate Technician,  
Acting Superintendent, Lone Star Lake,  
Lawrence, Kansas.

Dear Sir:-

I find by investigation that Mr. N. T. Veatch, Jr., who owns considerable of the farm land joining the Lone Star Lake Park on the south, has contributed several acres for use by the Park, but reserved the timber on said land for firewood.

Therefore, this is your authority from Douglas County Board to permit Mr. Veatch's tenant, George Crumbaker, to enter upon the Lone Star Lake property and remove sufficient wood for said tenant's domestic requirements during the present winter of 1937-38.

(Signed) *C. Schaaake*  
Chairman of County Board.

E. Bond et  
al. Road  
Petition.

The Road Petition of Everett Bond and eleven others was accepted, and the final order made,  
The work to be carried out as prayed in said petition.

On motion made by Commissioner Black and seconded by Commissioner Brass, ADJOURNMENT was taken to Wednesday, December 8, 1937.

Attest:  
*D. R. Gerhart*, Co. Clerk.

\_\_\_\_\_, Chairman  
Board of County Commissioners.

December 8, A.D. 1937.

The Board of County Commissioners of Douglas County, Kansas, met in adjourned regular session December 8th, with all members present.

Lake View  
Road Main-  
tenance.

Mr. Chester Spray headed a delegation that came before the Board for an interview regarding the maintenance of the Lake View Road.  
After a thorough discussion of the matter, the County Commissioners instructed the County Engineer to have the road scarified and smoothed up into better condition.

Bills and  
Claims.

The usual bills, and claims in general, were taken up and allowed as per Allowance Record.

No other business of record coming before the Board, ADJOURNMENT was taken to Saturday, December 11, 1937.

December 11, A.D. 1937.

The Board of County Commissioners of Douglas County, Kansas, met in adjourned regular session December 11th, 1937, with Chris. Schaaake, Chairman, Earl T. Black and James F. Brass, Commissioners, and T. R. Gerhart, County Clerk, present.

Eudora  
Bridge  
Repairs.

Mr. George Lothholz appeared before the Board relative to repair of the Eudora Bridge north of that town, and was advised to talk with Mr. Trueblood, the County Engineer, regarding the matter.

Bids on  
Carload of  
Reenforcing  
Steel.

Pursuant to authority given the County Engineer at the Board meeting of December 6, 1937, to invite bids on a carload of reenforcing steel, the following bids were received, and were opened and read by Engineer Trueblood at the current meeting.  
Messrs. Kenneth Kearney, representing the Carter-Waters Corporation, and Herman H. Hoelsel, representing the Brown-Strauss Corporation, were present in this behalf.

List of Lump Sum Bids.

Carter-Waters Corporation, .....	\$1774.91
Construction Products Company, .....	1774.91
B-D-R Incorporated, .....	1784.00
Brown-Strauss Corporation, .....	1918.43
Joseph T. Ryerson & Son, .....	2274.81

Commissioner Brass moved that this carload of steel be let to the Construction Products Company at the stipulated price. The motion was seconded by Commissioner Black, put to vote by Chairman Schaaake, and unanimously carried.
