Denial of
Beer License
to
W. B. Webb.

A Resolution against issuing a beer license to W. B. Webb was here presented for the consideration and action of the Board. Copy of Resolution follows:-

RESOLUTION.

WHEREAS the matter of granting a cereal malt beverage license to W. B. Webb, of Lawrence, Kansas, for the sale of cereal malt beverages in Willow Springs Township at Baldwin Junction, Kansas, came on for consideration by the Board of County Commissioners, and the application of the said W. B. Webb on file with the County Clerk of Douglas County, Kansas, was duly presented to the Board; and

WHEREAS the Board finds that the Township Board of Willow Springs Township has filed written objection to the granting of a license to sell cereal malt beverages to W. B. Webb;

NOW, Therefore, Be it Resolved that T. R. Gerhart, County Clerk, be, and is hereby, instructed to return the license fee on this denied application, and notify said applicant, W. B. Webb, that his application has been denied.

(Signed) C. Schaaake, Chairman,

(Signed) Earl T. Black, Member

(Signed) Jas. F. Brass, Member

Geo. Miller
Seeks Remov-
al of Rock
from his
Land.

Following adjournment for the noon hour, Mr. George Miller, of Lecompton Township, came before the Board regarding the early removal from his place of some rock that had been quarried there about three years ago, stating that he had recently sown grass on adjacent land, and wished to avoid the danger of having trucks pass over it after the seed had sprouted, should it be decided to remove the rock this spring.

The Board directed Mr. Miller to see Engineer Trueblood with reference to the matter.

Mr. Floyd H. Wray brought before the Board the merits of a fire extinguisher, "Fyr-Fyter," and stressed its usefulness as a safety measure.

The Board took the matter under advisement.

Lone Star
Lake.
(Completion
of Dam.)

County Engineer Trueblood here presented to the Board for signature an application to the Chief Engineer of the Division of Water Resources for consent or permit to complete the construction of the Lone Star lake and park project which was originally planned and started by the Kansas Forestry-Fish and Game Commission, and which requires the completion of a dam across Washington Creek, in
