

COMMISSIONER'S RECORD M

A delegation from Baldwin City, Kansas, met with the Board and the County Attorney, for the specific reason of discussing the possibility of hiring a patrolman for the south portion of the county, on a full time salary basis rather than on the part time fee basis which he is now employed; due to the controversy and disapproval of this method by citizens of Baldwin and elsewhere, and to the fact that Baldwin being at the south end of the county is in need of such police protection. A detailed discussion was gone into by all members present, and the Board informed the delegation that the matter would be given consideration and their answer submitted later.

The hour of 11:00 A. M. arriving, bids on $1\frac{1}{2}$ ton flatbottom truck and a pick-up truck were opened by E. E. Trueblood, County Engineer:

The Board of County Commissioners repaired to the offices of the Social Welfare Department to sit as a Board of Welfare with the County Director and the Home Visitors.

The County Director, Mrs. Watson, reported to the Board that the State Personnel Supervisor and District Supervisor had recently visited the County Welfare Office, and analyzed the program in regard to workers. They recommended an increase of two Home Visitors and adequate stenographic help in view of the heavy case load each worker is now carrying.

The program was given considerable discussion by the Board. The application of Miss Diendonnee M. Roberts was submitted for the position of Trainee, Home Visitor. After due consideration, Earl T. Black moved that Miss Roberts' application be accepted as a Trainee, Home Visitor at the wage of \$50.00 per month, and that a resolution to that effect be sent to the State Board. James F. Brass seconded the motion, and upon proper vote, the motion carried.

The resolution follows:

RESOLUTION

Appointing Diendonnee M. Roberts as Trainee, Home Visitor of the County Social Welfare Board of Douglas County and prescribing compensation. A copy of the personal application record sheet of Diendonnee M. Roberts is attached hereto.

Whereas, the County Social Welfare Board has determined that Trainee, Diendonnee M. Roberts is a person properly qualified for her duties:

Now, therefore, be it resolved by the County Social Welfare Board of Douglas County, Kansas in regular session assembled:

That Diendonnee M. Roberts be and is hereby appointed as Trainee, Home Visitor, in the office of the County Social Welfare Board of Douglas County, Kansas, to hold office at the pleasure of said Board.

Be it further resolved that the total compensation of said Trainee, Diendonnee M. Roberts shall be \$50.00 per month, all or part of which may be paid from such available funds, that said employee is properly qualified for the duties of such position as required by the State Board of Social Welfare of Kansas, in cooperation with any of the various agencies of the Federal Government, under the laws of State of Kansas and the United States of America and/or rules and regulations prescribed by the State Board of Social Welfare of Kansas.
