

COMMISSIONER'S RECORD M

February 9, 1938.

The Board of Commissioners of Douglas County met in regular adjourned session with a majority of the Board and the County Clerk present.

Mr. Blevins of the Blevins Cycle Shop presented some figures as to the price of the motorcycle which is desired to be purchased by the Sheriff's office. No decision was made for the purchase of same.

Regular bills for the county and for the Welfare Department were passed as per Allowance Record.

Again appearing before the Board came Geo Lothholz and J. D. Adams, to discuss the status of the Eudora-Wakarusa Bridge. The bridge is considered a problem to the city, being badly in need of repair, but the City of Eudora is financially unable to pay for the entire cost of such repair and desire some aid from the County. As yet, the Board has not discussed the matter with the County Attorney, and until they can do so, no decision will be rendered on the matter.

The County Clerk presented a list of assessors for both personal and real estate for the year 1938. They are as follows:

The Board considered the list thoroughly and James F. Brass moved that the above names as submitted by T. R. Gerhart, County Clerk, for the position of deputy assessors for Douglas County for the year 1938, be approved. On vote, it carried unanimously.

Redistricting of Commissioner's districts was discussed. However, no conclusion could be reached.

Interviewing the Board in regard to obtaining the position of Home Visitor in the Welfare Department, came Mrs. Bertie Harris accompanied by Mrs. Farinda Lambkin. Mrs. Harris' application was submitted to the County Director for consideration.

Rachel Flory, Probation Officer and Mrs. Watson, County Director, interviewed the Board on matters pertaining to Social Welfare.

Margaret Ford, Supervisor of Women's and Professional projects of the State and the County Director met with the Board for a discussion of a new project pending for the County of Douglas, pertaining to the inventory of all county equipment for a definite and continuous record. The project was explained in detail by Miss Ford. No decision as of this day.

H. O. Smead, Lubrication Engineer of the Shell Petroleum Company, Kansas City, and Mr. Barnes, Lawrence representative, talked to the Board concerning the lubricating oil furnished by said company, and their wishes to be considered for supplying same to the county.

By proper motion, second and vote warrants as on Commissioners' Order No. _____ were approved.

The Board adjourned to convene as a Board of Social Welfare.

Mrs. Emma Pryor who had previously appeared before the Board, again came asking if she could be assisted with a grocery order and the probability of the rental of a small house until she could financially be able to take care of herself which she thought would be in the near future. Mrs. Watson, County Director presented her with the name of a person seeking a housekeeper, and Mrs. Pryor preceded at once to contact said person.
