County Engineer E. E. Trueblood with a Mr. Roe and a Mr. Kampschroeder conferred with the Board on the matter of damage to their lands caused by the lack of proper drainage facilities.

Nothing definite at this meeting.

Sitting as a Board of Social Welfare, the Board received Maggie Lee, Relief Client, who made a request for more Old Age Assistance, claiming the \$15.00 per month she is now receiving is not sufficient to provide for all her needs. The Board informed said client that they would refer the case to the Social Welfare Department.

Mrs. Junia Pierce also requested more assistance so as to provide more needs for her welfare. The County Director, also being present, a discussion was gone into, and the increase for more assistance denied.

The Commissioners reviewed and inspected welfare cases, as presented by the Home Visitors and County Director.

Business terminating as of this date, the Board adjourned to reconvene as a Board of County Commissioners on call of the Chairman or of the County Clerk.
