It was moved by James F. Brass that the Journal World Company be designated the official county paper with certain provisions set out heretofore, for all legal printing for the year 1938 with the exception of the delinquent and final tax list. A second was made by Earl T. Black, and on proper vote by all Commissioners in the affirmative, the motion carried.

It was further moved by James F. Brass that the contract for the delinquent tax list be let to the Lawrence Democrat for the year from March 1, 1938 to March 1, 1939. Seconded by Black and voted, the motion carried.

Mrs. W. O. Hamilton, Supervisor of the Sewing Room Project with Mrs. Watson, County Director, made a detailed report to the Commissioners on Federal Projects in Douglas County; and, also, at this time, stressed several needs for the Colored Children's Nursery.
