Commissioner

By motion, duly made, seconded and voted, the foregoing resolutions were approved and passed.

A Mr. Stevens, who has completed team work on garden plots for the county met with the Commissioners to discuss his claim for such work. His claim was that he worked 35½ hours at 62½¢, which makes a total of \$22.18. The Board discussed the matter thoroughly and finally approved said claim for payment.

Sitting as the Board of Social Welfare, the Commissioners of Douglas County, met with the County Director to attend to matters coming under the jurisdiction of said Board.

Again, appearing before the Board came Leroy Harris, Attorney for John Ireland, who has previously made application for Old Age Assistance, said application not, as yet, having been accepted.

The Board considered the matter thoroughly, and after a detailed discussion on same, made final decision as follows: Said John Ireland's case is not accepted for Old Age Assistance because two of the three affidavits pertaining to age, presented, were by the sisters of said John Ireland. Therefore, birth of the aforesaid applicant, was not satisfactory verified to comply with the State Board of Social Welfare authorization of eligibility for Old Age Assistance.

Further welfare cases for old age, dependent children and general assistance were presented to the Board by members of the Welfare Department engaged in investigation of same. Passage and approvals on same were made by the said Board of Social Welfare.

Adjournment was taken by the Board.
