May 25, 1938.

Once again, the Board adjourned as the Board of Equalization to reconvene as the Board of County Commissioners.

A salesman, representing a company in Milwaukee, selling Misto, a certain floor finish, appeared before the Commissioners in an effort to sell same. However, the Board made no purchase as of this date.

The Farm Agent, Deal Six, met with the Board for a short discussion on the grasshopper situation in Douglas County.

The application for a beer license of Hampton L. Humphrey came on for consideration, and in view of a written objection received by the Lecompton Township Board, in which said township the cereal malt beverage would be sold, Earl T. Black moved that the application of said Hampton L. Humphrey for a beer license to sell cereal malt beverages for consumption on premises be denied, and that the fee of \$50.00 for said license be returned to applicant. James F. Brass seconded the motion, and on vote, put by the Chairman, Chris Schaake, the motion carried.

Pursuant thereto, the following resolution was passed:

## RESOLUTION

WHEREAS, Hampton L. Humphrey, a resident of Lecompton Township, has made application to the Board of County Commissioners of Douglas County for a license to retail cereal malt beverages, and

WHEREAS on May 14, 1938, T. R. Gerhart, County Clerk of Douglas County has given the Board of Lecompton Township due notice of said application, and

WHEREAS, on May 20, 1938, the Board of Lecompton Township has filed a written protest objection to the granting of said license to Hampton L. Humphrey.

NOW, THEREFORE, BE IT RESOLVED that said application for a license to retail cereal malt beverages made by Hampton L. Humphrey be refused and T. R. Gerhart, County Clerk of Douglas County is hereby directed to refund the sum of Fifty Dollars (\$50.00) to Hampton L. Humphrey which was deposited with said application for said license.
