A meeting was held, at this time, with Mrs. Akers from the Reemployment Office, a representative from the State, a member of the City Council, with the Board and the County Attorney, for a discussion on the establishing of a permanent Reemployment Office in the City of Lawrence. A detailed discussion was gone into touching on the advantages and disadvantages of said office. At the conclusion of said meeting, James F. Brass moved that the county agree to pay to the state each month the sum of \$25.00, as Douglas County's contribution for the maintenance of the Reemployment Office; said contribution to begin the first of August. Earl T. Black seconded the motion. On vote, put by Chairman Chris Schaake, the motion carried by affirmative vote.

Frank Fitzpatrick, Supervisor of the Inventory Project, came before the Board to determine what office space the Board would allow them to set up for temporary office; and, also, to inform the Board of certain supplies which would be needed.
