

COMMISSIONER'S RECORD M

489

August 9, 1938.

The Board of County Commissioners met to sit as the Board of Canvassers for the purpose of canvassing In-State, Out of County ballots.

All absentee ballots of voters within the state were presented to the Board by the County Clerk. Said ballots were carefully checked as to qualification of voter, and after so doing, were tabulated and counted as per Poll book on file with the County Clerk.

The Board of Canvassers adjourned to meet Wednesday, August 10, at 9 o'clock as the Board of County Commissioners.

In regular adjourned session, all members of the Board of County Commissioners met to attend to regular county business, there being present, also, T. R. Gerhart, County Clerk.

Mr. and Mrs. J. F. Metsker asked the Board if it would consider paying for the gasoline used for the County Farm truck when said truck is being used for county business. Heretofore, gasoline was purchased and paid by the Metskers. The Board agreed to furnish said gasoline.

A Mr. Glenn from Lecompton requested the Board of County Commissioners to officially open the Lecompton Well, so that water for stock may be supplied to farmers needy of same. It was suggested by the Board that a petition be signed by members of the community and filed with this office.

M. R. Gill discussed with the Board the matter of a reduction of the valuation on property located at 1110 Vermont. However, since such reduction is now out of the jurisdiction of said Board, it could do nothing on the matter.

As per notice published in the official County paper, coal bids were received and opened this day: (300 tons)
