

COMMISSIONER'S RECORD M

Discussion on the purchase of a sheriff's car was again brought up, and all bids received this day were minutely scrutinized.

After carefully considering the matter, James F. Brass moved that the Board accept the bid of the Williams-Roberts Motor Company for a 1939 Ford 85 Fordor Sedan, service car for the Sheriff's Department at the net price of \$269.00 plus trade in on the 1938 Chevrolet sedan now being used by the Sheriff's force. Also, that the Board authorize the installation of a hot water heater at the price of \$22.25. Chris Schaake seconded the motion. On vote, the motion carried by affirmative vote.

Two bids on an adding machine for the office of the county clerk were opened but no decision made this day:

Bullock's:

Underwood Elliott Fisher, Sundstrand Adding Machines:

10 Col. Portable with direct Substraction and credit balance and with stand. \$250.00

10 Col. Large Motor under the machine same features as above otherwise. \$265.00

If the Credit Balance feature is not desired, deduct \$25.00 from the prices quoted above.

If an 8 Column machine is desired, deduct \$25.00 from the 10 Column prices.

We can get machines in, which have been used as demonstrators, and which are equal to new machines in every way, on which we can allow a discount of 10%.

We cannot get one however with the double action total as we have on demonstration in your office in anything but a new machine.

Lawrence Typewriter Exchange:

"We are pleased to quote price on one (1) Heavy duty Sundstrand Adding machine, 10 column with direct subtraction, credit balance, 7 inch carriage and stand. \$265.00."

On this day bids for a ^{Paper} shovel for the use of the Engineering department of the county were received. The names of the companies bidding and the net price of shovels are quoted below. For complete detailed information, see the records in the office of the County Engineer:

Cancellation Order No. 97 was passed by the Board:

Cancel 1938 Personal Property Tax in the amount of \$8.35, charged to W. O. Olson, 806 Mo., Lawrence.

Mr. Olson was erroneously assessed for an automobile which he did not possess on the first day of March. Substantiating papers have been submitted, showing that he acquired the car in question on March 19th. Value of the old car for which he should have been assessed places his total assessment within the exemption.

BY ORDER OF THE BOARD OF COUNTY COMMISSIONERS.

Attest by _____ County Clerk.
