

## COMMISSIONER'S RECORD M

Jas. F. Brass moved that the contract for the delinquent tax list be let to the Douglas County Republican at the price of 16¢ per description and 7¢ per lot with a \$350.00 stop. Chris Schaake seconded the motion. On a majority vote, the motion carried.

Commissioner Brass stated: "The combined bid of the two papers (Douglas County Republican and the Baldwin Ledger) has been estimated at over \$500.00. The statement has been made here a number of times by the members of this board that they feel the publication of the delinquent tax list was not important only as it complied with the law. In view of this fact--is the reason I made my motion awarding the contract to the Douglas County Republican because they fix a stop of \$350.00 which is probably \$200.00 under this estimated figure (\$500.00). In view of economy is the reason I made my motion."

A short discussion was gone into with the County Attorney in reference to the Judicial Tax Sale.

No further business appearing, the Board adjourned until Wednesday, March 22, 1939.
