Earl T. Black, Chairman of the Board of County Commissioners.

August 16, 1939.

All members of the Board of County Commissioners, namely: Earl T. Black, Chairman, Jas. F. Brass and Chris Schaake, Commissioners and County Clerk T. R. Gerhart, met in regular adjourned session at the hour of 9 o'clock A. M.

Appearing before the Board came John and Cecil Brecheisen with John Elm, Trustee of Marion Township, for the purpose of reviewing the final action on the Brecheisen Road in said Township, as taken by the Board of County Commissioners on the 28th day of June, 1939. Details pertaining to the case were again discussed. Mr. John Brecheisen is very unsatisfied with the final action as taken by the Board.

Dewey Schmittendorf spoke to the Commissioners in regard to insurance on the county trucks.

A notice from the Commission of Revenue and Taxation was received, setting the date of August 25, and the hour of 9 o'clock A. M. or as soon thereafter the hearing can be held, for the hearing on Douglas County's application to levy an additional one (1) mill levy for the Welfare Fund of said county. A notice to this effect was signed by Chairman of the Board upon proper authority, for publication in the official county paper.

Clifton Ramsey and Francis Jaedicke met with the Commissioners to discuss taxes on certain property belonging to Mr. Jaedicke in regard to the Lone Star Park. It was formerly understood that the taxes for 1938 on the property in question would be waived until the Engineer's descriptions were completed. Such divisions were made on July 26, 1939, and orders issued to the County Treasurer. No notice, however, was given land owners of the amount of taxes due; and in order to provide equitable adjustment, an order is, hereby, issued to abate penalties, interest and advertising charges subject to immediate payment of taxes.

Order No. 148: \*\*\*\*\* To abate the penalty-interest and advertising charges extended against the following described properties on the 1938 tax rolls: (Assessed in name of Lillie B. Jaedicke):

NW $\frac{1}{4}$  of SW $\frac{1}{4}$ , 14-14-18  
SW $\frac{1}{4}$  less 3 a. School, 15-14-18  
SE $\frac{1}{4}$ , 15-14-18

The above properties are the farm from which tracts were deeded to the County for use of a County Lake and as such were subject to cancellation of taxes for donated land, as indicated on Orders #142 and 146, issued on July 26, 1939. Through misunderstanding, no notice was given the owner of the land that the tax was divided and subject to payment.

BY ORDER OF THE BOARD OF COUNTY COMMISSIONERS.

Attest by T. R. Gerhart County Clerk.

A Mrs. Garrett came before the Board on a bindweed matter.

No further business coming before the Board, said Board adjourned to meet again in regular adjourned session, Wednesday, August 23, 1939.
