In regard to the deeding of certain land for park purposes for the Lone Star Lake, appeared N. T. Veatch, Jr. and Clifton Ramsey. Mr. Veatch, Jr. stated that the only consideration he is asking is that the county furnish him a water supply, complete the fencing of his property and clean off the land at certain places. If this is done, he is willing to complete the transaction of deeding certain land to the county for park purposes. Nothing definite could be done this day, although the Board is taking these requests under advisement. It was suggested by Mr. Veatch that the county have a transformer placed at the well so as to have electric power at the park.

O. D. Thomas, Auctioneer and Ernest Kloor, abstractor for the Judicial Tax Sale with the members of the Board went into discussion on the coming Judicial Tax Sale, to be held at the Court House, Saturday, October 28. At this time, action was taken employing an auctioneer for said sale, and because of the Thomas Bros. being low bidders by their verbal bid of 1%, the following motion was made:

Chris Schaake moved that the Board accept the bid of the Thomas Bros. to auction delinquent properties at the Judicial Tax Sale for the first group of properties going on sale beginning October 28, at their bid price of 1%. This first group of properties for sale being as of Docket No. 16830. Jas. F. Brass seconded the motion. On vote, called by Chairman Black, all Commissioners voted in favor of the motion.
